#### COMPASSIONATE COUNSEL—WHEN YOU NEED IT MOST

Accidents happen, but when a tragedy such as a worksite accident or car crash is due to the negligence of others, the effects are even more devastating. Physical, emotional and financial hardships could have been avoided.

Finding the best representation shouldn't be left to chance. You need a firm with experience, resources and a proven track record. You need Gill & Chamas, L.L.C., which has nine attorneys on the 2016 New Jersey Super Lawyers list and two on the Rising Stars list. The team at Gill & Chamas tackles even the most complex matters. Consider settlements in the past year of \$8.6 million for the malfunction of a kitchen appliance and \$7.1 million for a fatal bicycle accident. Peter Chamas also recovered more than \$8 million on three significant construction site accidents in the past year.

**PERSONAL INJURY ATTORNEYS** Founded by Raymond A. Gill Jr. and Peter Chamas—both on the Top 100 list—the firm is dedicated to personal injury matters involving the seriously injured or disabled.

**THEY DO THE WORK. YOU RECOVER.** While nothing can immediately restore your health or your well being, you can concentrate on healing while the attorneys do the research, talk to the experts and prepare the case. Your comfort is a priority. The firm even has a mock courtroom, which the attorneys rely upon to help hone their skills.
