#### CHAMPIONS FOR THE INJURED

When people are injured at work or through the negligence of others, they face numerous and often devastating physical, financial and psychological challenges. Such injuries absolutely upend the lives of these individuals and their loved ones, compounded by feelings of helplessness and uncertainty about what to do.

The lawyers at Gill & Chamas have walked with many clients through these painful experiences, fiercely fighting for justice on their behalf. With more than 200 years of collective experience in personal injury law, the firm's attorneys know how to secure the best outcome for clients through negotiation and litigation.

Since it opened in 1995, this firm has recovered more than \$500 million for injured and disabled clients, including many multimillion-dollar awards. This past year, they recovered \$6.25 million for a client injured by medical malpractice and \$2.35 million for a man injured in a forklift accident.

Gill & Chamas represents clients in a wide range of personal injury matters from the common to the rare, such as medical malpractice, construction site accidents and motor vehicle accidents, to name a few.

The firm is comprised of seasoned lawyers who build strong cases with meticulous preparation, attention to detail and a keen ability to advocate for clients before judges and juries. Clients can devote their energies to healing while their attorneys battle for their rights.

Its attorneys are regularly recognized to Super Lawyers and Rising Stars, including Raymond Gill Jr. and Peter Chamas named repeatedly to the Top 100.
